

Employment & the ADA

Confused about your employer responsibilities under the Americans with Disabilities Act? Unsure how to handle personnel issues involving disability?

The Rocky Mountain ADA & IT Center offers comprehensive training designed to answer your employment-related questions. This session provides an overview of the ADA's employment provisions.

Learn more about:

- Who is protected by the ADA
- Documentation of disability
- Identifying essential job functions
- Reasonable accommodations
- Confidentiality requirements
- ADA and accommodation resources

Training Formats include:

- In-person delivery
- Audio, video, and web conferencing

Contact the center now to discuss training opportunities for your organization!
